AGE  
18  
FROM  
Toronto, Ontario

**I could make up something dirtier that makes me look like a porno star, but why should I?**

Trust me, this is a real story. Keep in mind that even though I was 18 at the time, it was my first total sex experience. (Besides oral.) So this was about six months ago. I had met this guy who worked at the pharmacy. He kept wanting to hook up. I had gone out with him for coffee a couple of times, but somehow he made me kind of nervous. I think because I was afraid of getting involved with someone so much older.

Then one night by coincidence, I ran into him on the way back to the dorms. He convinced me that he should come up to my room. It turned out that he's really into reality shows, so we ended up talking about that for hours. I really didn't intend for anything to happen, but he had this cutest way of looking in my eyes that was making my heart do back flips.

I was kind of hoping he would make a move and he did. He

goes, "Is it okay if I do this?" and put his arm across my shoulders. I didn't say anything, but I guess the smile on my face was enough of an answer. I kind of leaned in, because it was like he was a magnet. He kissed me and we started making out. He had his hand up my skirt stroking my panties, so I kind of rubbed the front of his pants. He unzipped his pants and put my hand inside. I could feel his cock moving around in his underwear.

He pushed his fingers inside my panties and started fingering me. We made out for awhile, and then he stood up and pulled his shirt over his head and pushed his jeans and underwear down and stepped out of them. He goes, "Come on." I knew he wanted me to strip too, and I sat on the edge of the bed and took everything off.

**His cock was sticking straight out, and he got close and started rubbing it across my face.**

I knew what to do, and sucked it between my lips. He was totally loving it. He goes, "I can't believe a chick as young as you sucks like a pro. What else are you good at?" I go, "Whatever." He goes, "Cool," and pushed me on my back. He licked my tummy a few times, ate me out a little bit, then got on top.

Of course I'd thought about sex plenty of times, but somehow it was kind of a surprise when he started trying to make his cock go in me. Even though I was totally wet from all his fingering and stuff, it was fairly painful. But I didn't say anything, because I didn't want to admit I was a total virgin.

## He was having a hard time getting his cock in.

He kept talking about how hot it was that my pussy was so tight. Anyway, eventually he got it in. He kept commenting on stuff, like how he loved how smooth my pussy was, and how tight and juicy it felt. He asked me if his cock felt big enough. I go, "Are you kidding? It's huge!" He kind of laughed, but you could tell he liked it because he started to fuck me really hard. He kept stopping to ask me if I liked getting fucked by his big cock, and every time I said yes he'd really fuck me hard with it again. Fortunately by that time I was really getting into it. He would fuck me for a while, then stop so he could finger my pussy with his cock still inside me. He kept playing with my clit, and it was making me crazy. We started making out, and without even thinking about it I was thrusting my hips up against him.

**I screamed at him, "Oh, shit, I'm gonna cum any second!"**

I guess he felt the same way, because he shoved his cock in really deep and started shooting his stuff in me. We came together and it was so hot!

When he was pulling his cock out of me, he goes, "Oh, shit, were you a virgin?" Because there was a little bit of blood on his cock. When I told him yes, he goes, "That's hot!" and his cock got hard again immediately. He stayed all night and kept waking me up with his hard cock pushing in my pussy. The next morning my pussy was totally sore, but it was so worth it.

FROM  
Stuart,  
Florida

**Julia is attending college in Florida, but has yet to declare her major. This is our model questionnaire as she filled it out:**

**Did you like posing nude? Did it make you feel hot?**  
It was so much fun!

**What part of your body do you consider your best?**  
My ass is what sticks out.

**Do you enjoy exposing yourself in public?**  
Come on! But I like dressing sexy.

**Describe and rate losing your virginity.**

Ugh! The worst! I'm too embarrassed to tell about it.

**How often do you masturbate? What method?**

I used to masturbate in the basement at my mom's, sitting on the washing machine to get the vibrations while I rubbed my clit.

**I hate / like / love giving head. Why?**

Aw, who could hate it? BJs are so much fun!

**Are you a spitter or a swallower? Why?**

I really prefer not to eat it. It's slimy.

**I hate / like / love receiving cunnilingus. Why?**

Yeah, that's the best.

**How do you like to be fucked? How can a lover best make you cum?**

I need my clit to be touched while I fuck. It can be in any position—me on top, riding him, or from behind—but I gotta massage my clit or I can't get off.

**I hate / like / love anal sex. Why?**

I only did it once. I was too tense to even move. We used a lot of lube, and then he slowly slid it up and let me get used to it. Then he held me steady and fucked my butt in this very carefully controlled way. I couldn't take anything more than that.

**Where do you like a guy to cum? Describe.**

If we're doing doggie, on my butt. If not, then on my tummy.

**Are you bi-sexual? If yes, describe your best time with a woman.**

I've taken a shower with a girl once. It was more just fun and playful. Tons of laughing. We did lick each other's pussies though, so it wasn't all a joke.

**Have you ever had sex in public? Describe.**

No way!

**Have you ever had more than one lover at once? Describe.**  
Come on!

**Have you ever had sex with a stranger?**  
NO!

**What is the sluttiest thing you've ever done?**  
Doing anal. I'm not really slutty though. I just like to have fun.

**What's the absolute best sex you've ever had?**  
When the energy is just building and building and you can feel it growing inside you. I'm young, so I've got a lot of energy and I like to do it hard and fast and feel that total intensity. And of course the best of all is if you can cum together while looking into each other's eyes.

**What kind of men do you like?**  
Guys who are in love with me.

**What kind of women?**  
Girls who have nice, trim bodies.

**What's the best way for a man to pick you up?**  
That's not how it happens. People don't pick me up. We just sort of talk and see how it goes.

Shy  
Girl

Caroline is attending college in Connecticut and is considering a major in human development. This is our model questionnaire as she filled it out:

**Did you like posing nude? Did it make you feel hot?**

My hands were shaking really bad when I first took my clothes off and I got the hiccups, which happens whenever I'm really nervous. Once I was naked though, I got into it.

**What part of your body do you consider your best? Why?**

I'd feel concealed answering that.

**Do you enjoy exposing yourself in public?**

Dressing sexy? I'm pretty shy. But I love receiving compliments on my body too. So it's complicated.

**Lost your virginity at how old? Describe and rate experience.**

Me and my first boyfriend lost our virginity together. It was over so quick that I barely had a chance to feel anything.

**How often do you masturbate? What method?**

I have a special little toy box, with candles and incense, under my bed. I brought my blue dildo to the shoot 'cause they asked to show how I got myself off. It was my first time doing it in front of people.

**I hate / like / love giving head. Why?**

I'm still not very confident about how good I am. I want to learn some techniques.

**Are you a splitter or a swallower? Why?**

I don't think I'd want to swallow it. Tastes bad.

**I hate / like / love receiving cunnilingus. Why?**

I like it when they do it gently. If they're all rough, I don't like it.

**How do you like to be fucked? How can a lover best make you cum?**

I'm not a very aggressive person, so I like it when the guy has the confidence to take control and let me know what he wants me to do. I sort of want to be controlled by him and for him to pin me while he puts it in. I get excited if he holds me down by the wrists while he does it, or holds my neck while he takes me from behind.

**I hate / like / love anal sex. Why?**

I'm really dreading it. There's just so much pressure at my school. Even the prettiest girls are doing it now. One girl told me it feels okay, but a friend said it didn't feel good at all. So I'm scared.

**Where do you like a guy to cum? Describe.**

Somewhere on my body. One time the guy got his cum all over my sheets and I could not let myself sleep in that. I had to do laundry in the middle of the night.

**Are you bi-sexual? Describe your best time with a woman.**

A friend of mine thinks she's a lesbian. She wants to try experimenting and has pressured me to help her explore her feelings. I don't think I'm a lesbian at all, but I want to help her so I may try some stuff with her.

**Have you ever had sex in public? Describe.**

One time I was having sex with a guy when his roommate bust in with a bunch of friends. They wanted to take out a drum kit he had, and we just kept having sex while they did it. It was so embarrassing for me.

**Have you ever had more than one lover at once? Describe.**

Yes, home on winter break. A high school friend invited me to have a three-way with her boyfriend as a Christmas present to him. I did it for the experience. It was pretty wild.

**Have you ever had sex with a stranger?**

Well, I didn't really know that guy past the "hey" stage.

**What is the sluttiest thing you've ever done?**

Definitely that. I was too nervous to touch my friend, so I ended up paying more attention to her boyfriend, even though I didn't even

know him. He seemed more interested in me than her anyway, probably because I was new. We ended up with him fucking me while she sort of watched and stroked him and coaxed him on. I felt crazy slutty. **What's the absolute best sex you've ever had?**

I can't measure it like that. But I love that happy feeling after good sex.

**What kind of men do you like?**

All kinds. Not mean or stupid guys.

**What kind of women?**

I don't know.

**What's the best way for a man to pick you up?**

I get really shy and tongue-tied around guys I like. So I guess I want a guy to understand that it doesn't mean I'm blowing him off.

**Did you like posing nude? Did it make you feel hot?**  
My boyfriend wanted me to do it. He really likes TIGHT.  
**What part of your body do you consider your best?**  
I don't know. It's easier to say what I don't like.  
**Do you enjoy exposing yourself in public?**  
I guess.  
**Lost your virginity at how old? Describe and rate experience.**  
It was okay.

**How often do you masturbate? What method?**

I don't really. I just have sex.

**I hate / like / love giving head. Why?**

My boyfriend taught me to do it. I love it now. He taught me how to deep throat. It gets him off so hard.

**Are you a spitter or a swallower? Why?**

I've swallowed it.

**I hate / like / love receiving cunnilingus. Why?**

I like it, but I don't always need it.

**How do you like to be fucked? How can a lover best make you cum?**

I like doggie style.

**I hate / like / love anal sex. Why?**

I like it.

**Where do you like a guy to cum?**

Describe.

On my body.

**Are you bi-sexual? If yes, describe your best time with a woman.**

I've made out with a girl with my boyfriend. He made out with her too.

**Have you ever had sex in public? Describe.**

Yes. I've done it in the public bathroom of my high school. It's a bathroom not many people use.

**Have you ever had more than one lover at once? Describe.**

Yes. My boyfriend wanted me to try doing it with another guy while he watched. I love my boyfriend, so it felt pretty weird. But he liked it and it got him excited. First he jerked off while the guy fucked me from behind, and then he came over and joined in. They fucked me from both ends, pussy and mouth, which is the first time that's happened.

**Have you ever had sex with a stranger?**

I had sex with a cop.

**What is the sluttiest thing you've ever done?**

That, I guess. I was pulled over with a whole lot of weed. I just wanted to get out of that situation so bad. I begged the cop to have sex with me and luckily he went for it. I blew him in the back of his squad car. Then he put on a rubber and we fucked. All those assholes are corrupt.

**What's the absolute best sex you've ever had?**

Sex with my boyfriend.

**What kind of men do you like?**

My boyfriend.

**What kind of women?**

It's not something I care about normally.

**What's the best way for a man to pick you up?**

I have a boyfriend.

# SABRINA

Style

AGE **18** FROM  
Lima, PA

Sabrina is attending college in Austin, Texas, but is still undeclared. This is our model questionnaire as she filled it out:

**Did you like posing nude? Did it make you feel hot?**

It was pretty cool. You have to send me a copy when it comes out.

**What part of your body do you consider your best? Why?**

Two different guys I dated this year told me my pussy is really beautiful. Which is cool to hear. They also told me that it tasted especially good compared to other girls'.

**Do you enjoy exposing yourself in public?**

I flashed guys in a car once, but I was way drunk.

**Lost your virginity at how old? Describe and rate experience.**

Around the time everybody else was doing it at my school. I just wanted to go along. It was okay, not as bad as some, but it definitely got better since.

**How often do you masturbate? What method?**

It's not really something I do a lot.

**I hate / like / love giving head.**

I like it. For girls my age it's totally not a big deal. It's just the natural thing. First you make out, then he feels you up, then you go down on him. It's expected. Older people make too much of it, but to me it's just giving a guy a kiss on the most intimate part of his body.

**Are you a spitter or a swallower? Why?**

Guys have seen too many pornos, so they all want to do it on the face. I'd actually prefer he shoot it inside my mouth 'cause it's cleaner. Also, it's kind of fun, you know?

**I hate / like / love receiving cunnilingus. Why?**

I love it times a million! It's my favorite thing to do sexually. I have really big orgasms if the guy has good skills and is confident. I usually fall in love with a guy who knows how to go down on me good.

**How do you like to be fucked? How can a lover best make you cum?**

Eating me out makes me cum the most. But my favorite intercourse position is definitely doggie style. It's the most intense and it feels the best inside. You can go a long time.

**I hate / like / love anal sex. Why?**

It didn't feel comfortable. I was too tight.

**Where do you like a guy to cum? Describe.**

In my mouth, and then I give 'em a big smile when I swallow it.

**Are you bi-sexual? If yes, describe your best time with a woman.**

I never did it.

**Have you ever had sex in public? Describe.**

No, that's too hardcore for me.

**What is the sluttiest thing you've ever done?**

I slept with two different guys in the same day. The morning session got me so hot that I was on this huge sex high the whole day and I wanted more so bad. So I was flirting insanely with this guy friend at the library, and we ended up fucking in one of the study rooms.

**What's the absolute best sex you've ever had?**

That was pretty cool. He bent me over the desk and was totally hammering into me from behind. It was total porno style.

**What kind of men do you like?**

I don't care about looks because I'm not shallow. I want a cool personality.

**What kind of women?**

Dude, I'm not gay.

**What's the best way for a man to pick you up?**

This is bad to say, but it's pretty easy to hit on me when I'm drunk.

## Confessions of a Fab Flattie

AGE  
**19**

FROM  
Decatur,  
Michigan

Nora is attending college in Michigan, but is still undeclared. This is our model questionnaire as she filled it out:

**Did you like posing nude?**

I was nervous at first, but I'd dieted for like four weeks because I wanted to look my best.

**What part of your body do you consider your best? Why?**

My face is what I get the most compliments on. I'm always nervous a guy will be disappointed by the size of my boobs, but I've found out some guys really like small breasts.

**Do you enjoy exposing yourself in public?**

I'm not sure what you mean, but I've been to a nude beach before.

**Lost virginity at how old? Describe and rate experience.**

It wasn't that long ago. It sucked. Sorry if that's not the answer you wanted, but I think I was too self-conscious. The second time was pretty awesome though. It was after this frat party and I was pretty relaxed.

**How often do you masturbate? What method?**

It depends. Sometimes I do it in the shower—we have this water jet you can hold in your hand and point.

**I hate / like / love giving head. Why?**

If I like him, I'm into it. I like to make the other person feel good.

**Are you a spitter or a swallower? Why?**

If I think it will hurt his feelings not to, I swallow. But even if I

split it out I try to be polite, like subtle.

**I hate / like / love receiving cunnilingus. Why?**

Depends. Sometimes I'm too tense or I feel like there's too much pressure to cum. It's hard to explain. But when it's good and I'm relaxed I can get really into it. I need to feel safe and appreciated and then I'll pretty much burst.

**How do you like to be fucked? How can a lover best make you cum?**

Maybe this is weird, but I love to be masturbated. Not every guy can do it the way I like it, but when it works it's the best.

**I hate / like / love anal sex. Why?**

I've got a couple of girlfriends who love it, so I'm curious. Ask me in six months!

**Where do you like a guy to cum? Describe.**

I actually like condoms. Not so messy.

**Are you bi-sexual? If yes, describe your best time with a woman.**

I had a roommate who liked to masturbate me. She was amazing, but as far as sex, no, not really.

**Have you ever had sex in public? Describe.**

My ex-boyfriend showed a video we made of us fucking, at a party. I was so totally pissed at first, but now I think it's funny.

**Have you ever had more than one lover at once? Describe.**

I never dated more than one guy at a time. Too slutty.

**Have you ever had sex with a stranger?**

Never. Even if I just met him, by the time we have sex I've gotten to know him.

**What is the sluttiest thing you've ever done?**

I gave a guy oral driving on the freeway.

**What's the absolute best sex you've ever had?**

Still waiting for that.

**What's the best way for a man to pick you up?**

If you like me, tell me. But don't give me a line or act pretentious.

Fucking is Awesome!

**AGE**  
**18**  
**FROM**  
Lansing,  
Michigan

**It was all Sandi's fault. She had finally hooked up with her boyfriend Ben and couldn't stop talking about sex.**

Well, she's only the same age as me (18), but thanks to Ben she had done everything (even anal). I was over at their house. Ben's older and owns a house and they're living together on a trial basis. Sandi kept telling me every gruesome detail. Like what it felt like getting a cock in her butt the first time and so on. I tried to act grossed out, but I was actually pretty interested. Of course I'd done some stuff, but not actual full-on sex. But as it turned out, that was about to change.

**Ben brought this totally cute guy Kent home with him.** We had some snacks and were just hanging and listening to music. At one point Kent goes, "Ben, how come you never told me Sandi has such a hot friend?" My cheeks felt like I had got a sunburn. Sandi and Ben went to the store to get the guys some beer, and when she came back she signaled me to come in the kitchen. She told me Ben said that Kent totally wanted to hook up with me. That was cool and scary at the same time.

Later on her and Ben went upstairs. They must have left their door open, because after a while you could hear the mattress squeaking and moans coming from their bedroom. Maybe it sounds weird, but I think it was making me horny. Kent was just looking at me and smiling. Finally he goes, "I'm starting to feel left out, how about you?" We both laughed. He goes, "Let's go check it out." We snuck up there and there was this place where you could stand in the hall and see their bed reflected in their dresser mirror.

**Even though I knew it was wrong, it was so hot.**

Kent was standing behind me. In the mirror you could see Ben's naked butt bouncing up and down while he fucked Sandi. Kent had his arms wrapped around me. He was kind of grinding against my butt and I could feel his chubby. He whispered in my ear, "Let's go downstairs and have our own party." He took me by the hand and led me back to the living room. Then he was standing behind with his arms wrapped around while we kind of rocked to the music. He reached his hands under my tank and started feeling up my boobs. Then he pulled my tank off and took off his own shirt, and his hairy chest against my back felt really sexy.

He popped my zipper open and started sliding his hands inside my crotch. I was thinking, "This is really happening." He started fingering me. He goes, "Wow, you're really wet for it." That was kind of a surprise, but it was true. I guess I was hornier than I realized.

**He was rubbing my clit  
and I started cumming.**

He held me with an arm wrapped around my chest while I came all over his hand. He said, "That was really beautiful." After that I felt like I was ready for just about anything.

He got me on the floor and pulled my pants off. He got naked too and then he got some pillows. He put one under my butt and was holding me by the ankles while rubbing his hard cock between my legs. He goes, "I can't wait to finally get inside you." That was another reminder that I was about to actually DO IT. He pushed my knees back against my shoulders and positioned himself so his cock was resting against my pussy. He started to push it inside. I guess I really was ready, because even though it hurt, mostly it felt really exciting.

He was stroking me really deep with his cock. I was staring down watching it go inside me. I couldn't believe I was able to take the whole thing. The cool thing was how it felt, because it was making me really hot.

He could tell I was so close and he goes, "Yeah, cum for me while I fuck you."

And then I totally did!

Afterwards, when he slid his cock out, I was kind of disappointed, because I didn't want it to stop yet. But I guess I didn't need to worry because he wasn't done. Only when he started trying to push it back inside me, he was trying to make it go in my butt.

I would have been more freaked out if Sandi hadn't been talking about how much she liked it that way. Kent spit on his hand and fingered my asshole with his slippery fingers. Then he started pushing his cock inside. He goes, "Play with your pussy," so I did. I immediately understood why, because the stuff he was doing to my asshole was making me horny all over again. Pretty soon he had his cock stuffed inside my other hole, making it slide in and out of my butt.

**He was doing that for a while, and I could feel myself getting close and I started masturbating really fast.**

He goes, "Wait for me," and started fucking my butt really hard. Then he goes, "Here it comes!" I guess that pushed me over the edge, because I started cumming all over my fingers, and at the same time I could feel his hot cum shooting up my butt.

That's when I looked up and realized that Sandi and Ben were standing in the living room door watching us. I guess I couldn't really complain since we'd been spying on them before. Sandi goes,

"So was I right or what—isn't fucking awesome?!" I didn't say anything because I suddenly felt too shy. But I could totally feel the hugest smile spreading over my face, because she was so right!

Making  
the  
Move

**It was the last week of school, so I figured I better make my move.**

He was my psych teacher and also coached the hockey team. I had this huge crush on him and had been flirting with him all semester. I could tell he was interested, but probably afraid to make the first move. I had followed him out to the parking lot and got in the front seat next to him. He was like, "What's up, Ginger?" (Smiling, but you could tell he was kind of nervous.) I go, "I heard you're leaving town." He goes, "Yeah, my wife's in Easton (the town he was moving to) looking at apartments." I said, "In that case..." and put my hand on his leg.

Like I said, you could tell he was really nervous, but I could feel his cock getting big and

hard in his pants. I guess he decided to take a chance, maybe because he was moving to another state. When we got to his house, he pulled in the driveway and stopped the car. There was a big hedge on one side and the house on the other. I unzipped his pants and pulled his cock out. Then I leaned down and took it in my mouth. He goes, "Oh, Jesus," and just stared down at me while I sucked his cock. At one point he grabbed my head and goes, "Wait—how old are you?" I said, "Eighteen," then slid his cock all the way down my throat. He said maybe we should go inside, and we did.

**I ran my hands over his dick, then got down on my knees and took it all.**

I undid his belt and zipper and pulled his pants down, then his underwear. I licked his cock all over, then ran my tongue over his balls. You could tell he loved that because he put his hand on the back of my head and really pushed my face between his legs while I licked and sucked his big hairy balls. Then I took his cock in my mouth and started deep-throating him again

while I held onto his butt. After a few minutes he whispered, "Can I cum in your mouth?" I pulled off and said, "Unless you want to cum somewhere else in me."

I stood up and pushed his shirt off his shoulders and pulled my top off. I started squeezing and pinching his nipples. He did the same to me, and I could feel myself going really wet. I took off the rest of my clothes and laid down on the rug. He got on the floor with me and we were making out. I could feel his hairy chest rubbing against my nipples and I was wrapping my legs around him. I reached down and guided his big cock as he shoved it inside my wet pussy.

He was pushing in really deep, then pulling almost all the way out before thrusting back

inside me. I loved the feel of his thick cock sliding in and out of me, but I had something else in mind. I told him to lay on his back and got the lube out of my purse. Then I sat down on his lap. I was rubbing his cock with my ass, then I raised myself up on my knees. I lubed up his cock and my butt, then I pointed his cock against my butt-hole. I slowly sat down and felt the head pop into my butt. I was rocking back and forth, slowly taking more of his cock up until my ass was resting against his crotch. I couldn't believe how full I felt. I started riding up and down on his cock.

I began masturbating. I barely touched myself before I started to cum. He gripped me by the waist while he thrust up into me, burying his entire cock up my slippery butt. He goes, "Oh god...." and I could feel his cock twitching around and shooting hot cum up my ass. His face was bright red, with an expression like he couldn't believe what was happening.

Afterwards, even though he acted kind of weird and guilty, I was pretty sure he had enjoyed it.

Dirty Mind

AGE  
**18**

FROM  
Mill Valley,  
PA

Molly is attending college in California, and is majoring in political science. This is our model questionnaire as she filled it out:

**Did you like posing nude?**

I enjoyed it.

**What part of your body do you consider your best? Why?**

The whole shebang.

**Do you like exposing yourself in public?**

This shoot was the first time exposing myself in public.

**Lost your virginity at how old? Describe**

**and rate experience.**

I actually liked my first time. It was fun and I knew right away that sex was something I was going to want more of.

**How often do you masturbate?**

I do it more than I should. I like to fantasize and I have a pretty dirty mind. Sometimes I frig myself because I'm procrastinating about doing homework. That's classic me.

**I hate / like / love giving head. Why?**

Guys love the way I give head. My secret: When guys are excited they naturally want to move their hips and, like, fuck something, i.e., they want to fuck your mouth. So I let them. I move to the edge of the bed and relax my throat and they fuck my mouth, and then they're happy. It's true of every guy.

**Are you a spitter or a  
swallower? Why?**

Part of letting them fuck your mouth is letting them cum in it. The two go together like cookies and milk.

**I hate / like / love receiving  
cunnilingus. Why?**

I love it so much! If a guy doesn't want to do it, I will kick him right the fuck out of my room.

**How do you like to be  
fucked? How can a lover  
best make you cum?**

I don't have like a set thing. I want it to be passionate and sweaty and intense. I want to see stars and rainbows and magical horses riding by. I want the heavens to crack open and see the face of god while I'm cumming. You know, the ordinary.

**I hate / like / love anal sex.**

I wish I could say I was this insane girl who loved taking it up the ass all the time, but the truth is I've never done it. Too scared. I've seen pornos where girls are all into it, but they must be on serious painkillers or something. I'm little and I know my ass would kill.

**Where do you like a guy to  
cum? Describe.**

I think it's actually kind of cool to have him shoot it on my face. It's sort of crazy and slutty and just a fun way of finishing it up. Why have sex if you don't want to be dirty?

**Are you bi-sexual? If yes,  
describe your best time  
with a woman.**

I had a three month kind of fuck buddy relationship with a girl. I liked the sex but it ended bad. She was a real lesbian and I'm not. With her, it turned serious. It was sad.

**What is the sluttiest thing you've ever done?**

I once had sex with this girl's boyfriend, mostly because I seriously did not like this girl and wanted to fuck with her in some way. As a revenge attack it didn't really work though. She didn't believe me when I told her, and he denied everything.

**What's the absolute best sex you've ever had?**

I've been studying yoga and tantric sex, and a little while ago I had sex with this guy for three hours. It was insane, and the guy never even came. By choice! We just breathed and directed our energy and it was so deep and fulfilling.

**What kind of men do you like?**

Well, I like this new yoga guy.

**What kind of women?**

I was *only* with one girl. I liked her except where she pretended to be casual with it when she really wasn't.

**What's the best way for a man to pick you up?**

Make me pose in a dirty magazine and then interview me.

# LIZ LOVES 21!GK

AGE 19 FROM  
Baton Rouge, LA

Nora is attending college in Louisiana, but is still undeclared. This is our model questionnaire as she filled it out:

**Did you like posing nude?**

Totally. I was a gymnast when I was little. I've always been a showoff.

**What part of your body do you consider your best? Why?**

I think it's my breasts, especially my nipples.

**Do you enjoy exposing yourself in public?**

No, but I like wearing really sexy clothes. I like to show off my body in things you can semi see through, or that fit me in a really tight, sexy way.

**Lost your virginity at how old? Describe and rate experience.**

I was legal (18) at the time. I guess I'm kind of a late bloomer, like

that movie about the old virgin. It was kind of great, actually. The guy had totally talked me into it, but he really took his time. He did a lot of oral on me, and then we fucked with me on top, so I could control how deep it went.

**How often do you masturbate? What method?**

I almost always masturbate myself to sleep. I also do it in the morning. I also do it more when I'm really horny or if I'm really bored.

**I hate / like / love giving head. Why?**

I like it if I'm in control. I tied a guy's hands to the bed and made him cum with my mouth. That was hot!

**Are you a spitter or a swallower? Why?**

Swallower. It's more professional.

**I hate / like / love receiving cunnilingus. Why?**

I think if you don't love it you must be fucked up.

**How do you like to be fucked? How can a lover best make**

you cum?

On my back. I like to watch his face and kiss.

**I hate / like / love anal sex. Why?**

I never did it, but it sounds stinky.

**Where do you like a guy to cum? Describe.**

It's sexy if he beats off on my pussy, then pushes his wet cock back inside. But I like it different places. It would be boring to do it the same way every time.

**Are you bi-sexual? If yes, describe your best time with a woman.**

Best was this girl who's a teacher at my health club. She's really flexible, and you could tell she was really into me.

**Have you ever had sex in public? Describe.**

At the beach I did oral, but it was dark.

**Have you ever had more than one lover at once?**

I was staying at my friend's house. After she went to bed, I started making out with one of her big brothers on the couch. He took me to his bedroom. It was dark in there, and we

started having sex. I totally didn't realize that he shared with his brother, and he'd woke up and been watching us. I ended up having sex with both of them.

**What is the sluttiest thing you've ever done?**

I think the thing with the two brothers.

**What's the absolute best sex you've ever had?**

This may sound gross, but it was with this older guy I worked for when I was waitressing. He wasn't that hot looking, but he really knew what he was doing.

**What's the best way for a man to pick you up?**

Be yourself and keep things relaxed.
